Previously Released via FOIA/AR	Documents that have been previously released in prior FOIAs.
Releasable	Documents needing confirmation as releasable.
Undetermined	Documents needing classification as either controlled or uncontrolled. Drafts are usually marked as undetermined.
Incomplete	Documents that are incomplete. They may have never been received by the contractors.
FOIA Exemption 4	These documents are currently indexed to confidential phases.
FOIA Exemption 5 OR 7	These documents are currently indexed to confidential phases.
FOIA Exemption 6	These documents are currently indexed to confidential phases.

FIELD NAME	INSTRUCTIONS
Doc ID	The SEMS-RM unique document number
Responsive?	Enter the letter "R" or "RESPONSIVE" if the document is responsive to the request or "NR" or "NON-RESPONSIVE" if the document is not responsive. This will help to track whether the document has been reviewed.
Releasable to the Public?	Enter the letter "C" or "CONTROLLED" if the document should be withheld from release to the public. Enter "U" or "UNCONTROLLED" if the record can be released to the public.
Doc Subject Correction	If the document subject requires changing, enter the new (previously keyword) code here. *See Doc Subject tab for more details.
Access Control Correction	If the current access control requires changing, enter the new access control here. *See Access Control tab for more details.
Redactions Required?	If a controlled document requires redaction so that it may be released under FOIA, specify exactly what information should be redacted from the document and which FOIA Exemption should be used.
Comments	Please include additional direction/explanation in this field.

****Hyperlink Doc IDs may not work if:**

1. You received a CD and have made a copy of the Excel metadata file on your local computer
2. You received the Excel file metadata only and you are not on the EPA network

Hyperlink Doc ID Solution:

Create a folder on your computer and copy the Excel file and PDF files into the same folder.

Connect to the EPA network. If you are working at an alternate location log onto EPA's One Workplace.
